The City of Knoxville has identified the following municipal services and projected timetables for services proposed to be extended into this area:

AREA NO. 31-10-97.AX
CITY OF KNOXVILLE FIRE DEPARTMENT

FIRE PROTECTION

1. On the effective date of annexation, the City of Knoxville Fire Department will answer all calls for service for fire, explosion, disaster, hazardous materials and medical first responder.

2. The City of Knoxville Fire Department operates 18 fire stations, housing 41 fire suppression, rescue and EMS units and staffed by 362 full-time professional firefighters, 24 hours per day, 365 days a year to provide services as may be required. The City of Knoxville Fire Department maintains a Class 3 insurance rating.

3. Fire Station No. 20 on Portsmouth Road will provide primary coverage. Fire Station No. 20 houses one (1) Emergency One 1500 GPM Pumper and one (1) International 1500 Gallon Tanker staffed by 14 full-time professional firefighters. Additional support will come from Station No. 18 on Weisgarber Road which houses one (1) Sutphen 1500 GPM Pumper, one (1) Emergency One 110' Aerial Ladder and one (1) International Hazardous Materials Unit and is staffed by 28 full-time professional firefighters.

4. The City of Knoxville Fire Department provides First Responder emergency medical services to all Priority 1, life-threatening medical emergencies resulting from serious illness or injury to administer basic life support for stabilizing victims until the ambulance arrives for transport. The department also provides light and heavy rescue services for victims of automobile and other accidents freeing trapped victims and administering medical care through its Emergency Medical Services division.

5. The City of Knoxville Fire Department currently maintains an average overall response time of four (4) minutes to all incidents from its eighteen (18) strategically located fire stations throughout the community.

6. The City of Knoxville Fire Department will provide safety inspections, fire safety programs and fire prevention programs that can be scheduled through the Fire Marshal's Office in conjunction with the Public Fire Education Officer.

7. The City of Knoxville Hazardous Materials Response Unit which has state-of-the-art equipment to handle all calls of an emergency nature dealing with incidents relating to hazardous chemicals shall also be available if needed.

PARCEL NUMBER 31-10-97.AX
KNOXVILLE POLICE DEPARTMENT

1. On the date of annexation, the City of Knoxville Police Department will respond to all calls for service for police protection, including criminal calls, traffic accidents and traffic related occurrences, and other prevention and interdiction calls for service.

2. Effective with the annexation, all resources currently available within the Knoxville Police Department will become available to the citizens of the area. The Knoxville Police Department currently has a force of 409 certified police officers and approximately ninety civilian personnel to provide services 24-hours per day, 365 days a year.

3. Upon annexation, existing police department personnel will be utilized to provide services by expanding the contiguous beats to include the newly incorporated areas. Existing police beats, personnel, and equipment will be shifted to provide needed coverage of the area. This area will be Beat 87. Each beat is patrolled by a one-car unit per shift; however, the patrol car is augmented by other departments and units such as motorcycles, investigators, specialized assigned details, etc. For instance, between the hours of 7:00 a.m. and 7:00 p.m., the patrol units are supplemented by the motorcycle unit and between the hours of 4:30 p.m. and 2:00 a.m., the patrol units are supplemented by the Power Squad.

4. The Knoxville Police Department will hire additional police officers to provide more response to the area. The officers will undergo seven hundred and twenty (720) hours of basic recruit training before being state certified as a police officer. Upon completion of the classroom training, the officers will undergo six hundred and forty (640) hour of field office training where they will work and be trained by designed training officers.

5. The Knoxville Police Department will provide upon request crime prevention programs, traffic safety education programs and drug education/awareness programs including D.A.R.E. to the citizens of the area. Additional programs include a speaker's bureau for the department to address groups on law enforcement topics or concerns, home and business security checks, marking pens available for operation identification, and establishing and maintaining neighborhood watch programs.

DEPARTMENT OF ENGINEERING
PLAN OF SERVICES

1. Compilation of property records and preparation of ward maps will begin within 90 days of the effective date of annexation.

2. Inspection services for roadway and stormwater related problems and complaints will begin in the annexed areas on the effective date of annexation.

3. Implementation of local regulations required for participation in the Federal Flood Insurance Program and NPDES permit will begin on the effective date of annexation.

AREA NO: 31-10-97.AX
CITY OF KNOXVILLE PUBLIC SERVICE DEPARTMENT

1. **GARBAGE** will be picked up every week beginning one week following the effective date of annexation;

2. **YARD WASTE** (shrub trimmings, grass clippings, etc.) will be picked up every two weeks between March 15 and October 15. Yard waste must be placed at the curb in 6' x 6' x 6' piles in order to be picked up.

3. **LEAVES** will be collected a minimum of four times between October 15 and January 15. Leaves must be placed at the curb in order to be picked up.

4. **BULKY SOLID WASTE** items (white goods, old furniture, etc.) will be picked up on request. A courtesy box (dumpster) may be requested to facilitate disposal of these types of items.

5. **STREET MAINTENANCE** will consist of the following:

   a) **RIGHT-OF WAY MOWING** every month, or as seasonally required;

   b) **RIGHT-OF WAY MAINTENANCE** (such as picking up litter and debris) as may be required;

   c) **POTHOLES** will be patched on an as-needed basis;

   d) **REMOVAL OF SMALL, DEAD ANIMALS** will be provided upon request; and

   e) **SNOW REMOVAL** will be performed according to the enclosed snow plan.

CITY OF KNOXVILLE SNOW AND ICE REMOVAL PLAN

The Public Service Department removes snow and ice from city streets based on the following criteria:

Priority I - main thoroughfares, state highways, and emergency routes to hospitals. These streets receive the first snow removal efforts. They are constantly monitored to ensure that they remain as clear as possible. Examples of Priority I streets are: Broadway, Kingston Pike, Clinton Highway, Chapman Highway, and Middlebrook Pike.

Priority II - secondary or feeder/connector streets. These streets connect various residential and commercial areas to the main thoroughfares. These streets receive their initial snow removal after the Priority I streets. Examples of secondary streets are: Pleasant Ridge Road, Morell Road, Cedar Lane, Washington Pike, Central Avenue, and Sevier Avenue.

Residential Streets - Snow and ice removal is provided on neighborhood, residential, and subdivision streets after Priority I and Priority 2 streets are under control. The length and severity of the snow fall/storm dictates when snow is removed from residential streets.

The Department's focus is on keeping emergency routes passable and then concentrating on secondary and residential streets. During heavy snow falls, it takes longer to keep main thoroughfares and connector streets under control. Lighter snow falls allows the Department to "branch out" beyond Priority I and 2 streets more quickly.

UTILITY PLAN OF SERVICE

ANNEXATION AREA NUMBER 31-10-97.AX

DATE - SEPTEMBER 16, 1997

KNOXVILLE UTILITIES BOARD (KUB), a utility board established and operated pursuant to the charter of the City of Knoxville, offers the following plan of service for the above-referenced area. KUB's utility services are provided in accordance with its rules and regulations, extension and service policies, and applicable rate tariffs as may be in effect from time to time.

ELECTRIC

Electric service in this area is under the service jurisdiction of KUB and is currently available. Street lighting will be provided generally within 18 months of the City of Knoxville's request for such service.

NATURAL GAS

Natural gas service in this area is under the service jurisdiction of KUB and is currently available.

WATER

Water service in this area of the Ten Mile Creek Drainage Basin is under the service jurisdiction of the First Utility District (FUD). Upon annexation, water service will continue to be the responsibility of FUD under a contractual agreement with KUB dated April 10, 1989 that requires FUD to use its best efforts to construct any needed improvements to comply with the fire protection service standards set by the City of Knoxville. Upon the City of Knoxville's annexation of sufficient area in the Ten Mile Creek Drainage area as required in the contractual agreement, the timing of which cannot be predicted at this time, the service responsibility for this area shall be transferred to KUB.

WASTEWATER

Wastewater service in this area of the Ten Mile Creek Drainage Basin is under the service jurisdiction of the First Utility District (FUD). Upon annexation, wastewater service will continue to be the responsibility of FUD under a contractual agreement with KUB dated April 10, 1989 that requires FUD to use its best efforts to provide, to the extent economically feasible, comparable wastewater service as would have been provided by KUB in this area. Upon the City of Knoxville's annexation of sufficient area in the Ten Mile Creek Drainage area as required in the contractual agreement, the timing of which cannot be predicted at this time, the service responsibility for this area shall be transferred to KUB.

PLANNING AND ZONING

The Metropolitan Planning Commission ("MPC"), a regional planning commission established pursuant to state law, is the comprehensive planning agency for the City of Knoxville. The MPC also administers zoning and land subdivision regulations for the City of Knoxville as provided in general state law. The MPC consists of fifteen commissioners appointed by the Mayor of the City of Knoxville and the Executive of Knox County.

The MPC will exercise planning and zoning activities for the area being annexed upon the effective date of annexation. The area will be incorporated into the City's existing one-year development plan which delineates the City's proposed land use development pattern for a succeeding twelve-month period. The one-year development plan, which is not currently available to the area, shall provide the basis for zoning of the annexed area as well as all other properties within the city limits.

CITY OF KNOXVILLE DEPARTMENT OF DEVELOPMENT
Community Development Division

1. The division provides assistance to neighborhood-based groups and organizations to carry out their community improvement activities. Technical assistance is provided to plan events such as neighborhood clean-ups, street fairs, and other projects that build community and civic pride. We can also make referrals and assist in coordinating events with other departments, agencies, or organizations. In addition, we can provide assistance or referrals to groups to prepare bylaws, charters, and other community organizing preparation activities that qualify them as an official non-profit organization. For more information, call Mark Rigsby at 215-2120.

Development Services Division

1. Business and homeowners will benefit from the lot and structure reviews completed by this division. Elements which are reviewed include design, construction, safety, installation, alteration, maintenance and appropriate use and/or occupancy of businesses or residences. In addition to approving building plans, staff can provide owners with alternative, cost-effective strategies for completing development of a house or building while maintaining appropriate construction standards. Work requiring permits also includes protection to the buyer; owners hiring licenced contractors would have the ability to obtain the costs to correct any permitted work not completed to code. For more information, please call 215-2999.

CITY OF KNOXVILLE RECREATION DEPARTMENT

RECREATION

The Department of Parks and Recreation has over 1,200 acres of city-owned land to provide parks and recreation programs to all of our citizens. The following paragraph lists the facility or facilities closest to the area to be annexed.

Deane Hill Recreation Center has picnic facilities, open space area, playground area, fitness equipment and indoor basketball goals. This particular center also has a variety of different classes for all age levels. The city is planning on expanding this center because of increased demand at this center. The plan for the addition will include a large 2,000 square foot multi-purpose room, storage room, meeting room, lounge and small kitchen area. Request for Qualifications for architectural and engineering services for the addition will be due this summer.

In addition to Deane Hill Recreation Center a greenspace area of about 16 acres will be set aside within the community.

Within approximately three years after the effective date of annexation, the City plans to develop additional parks, playgrounds, and related facilities of sufficient acreage to meet current City standards.
